WELCOME WORDS

Luxembourg, January 2024

Dear Synchro-Friends,

It is our great pleasure to invite you to the 31st edition of the SL Synchro Cup, which will be held on the 17th, 18th, 19th and 20th May 2024 in the pool of Campus Geesseknäppchen, Luxembourg. We know that a lot of you have already been waiting of the official invitation to be sent out, so here it is. Swimming Luxembourg is looking forward to meeting old friends and getting to know new faces!

So for those of you who might not know us already, or for those who want to reminisce:

The SL Synchro Cup is an international competition of artistic swimming held in the heart of Luxembourg since 1991. Due to the Corona-Pandemic-related break of 2 years, we are in the meantime celebrating the 31st edition of the SL Synchro Cup.

Over the years the artistic swimming team of Swimming Luxembourg has already welcomed over 22 different nations, 98 clubs and over 8.000 swimmers.

Since we warmly welcome four different age categories of artistic swimmers, our competition has a unique synchro-family-like atmosphere to it. We encourage young swimmers to participate in their first ever artistic swimming competition and give them the opportunity to compete against other teams from all over the world.

What is new about this year's edition of SL Synchro Cup:

After the 30st edition of SL Synchro Cup which was historical to the organizing and participating clubs for different reasons, this year's edition will not be the least worthy.

Besides the fact, that the 31st edition of our SL Synchro Cup will be the first one to offer 15 different competitions sessions, it will also be the first edition to be held over the course of four days. In addition to this SL Synchro Cup 2024 will be, the first time ever, (partly) held in the World Aquatics rules of 2022-2025.

This is why we do not only invite clubs/federations that want to participate to our Cup, but also want to encourage freshly trained judges / DTCs / STCs to participate in our Cup. We will be glad to offer you the opportunity to train the judgment according to the newest rule set 2022-2025 and gain experience! If you want to apply as an individual judge / DTC / STC without having your club taking part in the competition, please do not hesitate to contact us for further information. You will find the [contact data](#) in the document here below on page 3.

Swimming Luxembourg is looking forward to welcoming numerus teams, officials, supporters and spectator here in Luxembourg to having a great time while enjoying the beauty of artistic swimming!

Kind regards,
Swimming Luxembourg

Special thanks for their support go out to our club sponsors.

6 ADDITIONAL INFORMATION ABOUT THE COMPETITION

As each year, you will find the stand of Photosynchro and FineDesigns in the hall of our pool.

- Photosynchro will provide you with high-quality pictures of each and every routine and some amazing pictures of the unique atmosphere on our competition weekend. Their pictures are for sale during the whole competition weekend. You will find them at the tribunes with their showcase-screens on which you can look at your pictures right after your routine was swam. They offer to print out pictures on site, but also sell digital versions of your beautiful synchro-moments.
 - However, since we got a few claims about this last year: please refrain from taking pictures off of their showcase-screens. Evelyne and her team are providing excellent work and this should be honored.
 - Please note that Photosynchro is the official photographer of the competition. No other photographers are allowed around the pool.
- You will find a stand of FineDesigns right at the entrance of the pool. They will showcase all kinds of t-shirts, sweatshirts,... as well as different artistic swimming motives which they will print right on the clothes according to your wishes. You can even print our mascot, the SL-Synchro-Cup-Duck, the official competition logo, or all the names of participants on any piece of clothing. The team will be happy to provide you with your unique SL-Synchro-Cup-clothing-item.
- Please note, all services provided by Photosynchro and FineDesigns are to be paid by the participants.
